

MICRO (DRIP) IRRIGATION INSTALLATION REBATE

City of Fresno will pay customers \$0.25 per square foot to replace existing overhead spray sprinkler with Micro Irrigation

Rebate for Micro (Drip) Irrigation Installation

Convert your existing overhead sprinklers to Micro (drip) irrigation or install a Micro (drip) irrigation system in an existing garden bed to your hose faucet and you may qualify to receive \$0.25 per square foot rebate up to 500 square feet from the City of Fresno. Drip irrigation eliminates over-watering problems, by applying water only where it is needed, with less runoff and less evaporation from leaves and soil. The uniform application of water from drip irrigation systems can achieve high water savings. The conversion can save up to 9 gallons of water annually for each square foot of irrigated area converted.

Micro irrigation is the slow, precise application of water and nutrients directly to the plants' root zones. A micro irrigation, drip irrigation or trickle irrigation design can be customized to meet specific needs while maintaining an optimum moisture level within the root zones; efficiently conserving water that might otherwise be lost to non-growth areas, runoff, sun or wind; while providing the proper balance of water and air needed for successful plant

The City of Fresno recommends that you request a copy of our brochure: *Saving Water Drip by Drip* before applying for this rebate. Contact our office for this informative resource. You may also request a free site visit or phone consultation by a Conservation landscape specialist prior to purchasing supplies/materials.

APPLICATIONS: City of Fresno Water Conservation Program: 621-5480;
email: waterconservation@fresno.gov or click on \$Rebates at www.fresno.gov/water

REBATE PROCESS

1. Do not purchase your irrigation supplies until you have read all the rebate criteria listed in Micro Irrigation Rebate Program Guidelines & Conditions. .
2. Purchase supplies and install the drip irrigation system.
3. Submit application along with a copy of the purchase receipt(s) to show purchase date of supplies and your recent Fresno City utility bill.
4. A landscape specialist will set an appointment with you to inspect the installed drip system.
5. Rebate will be mailed about 8-9 weeks after application approval.

Micro Irrigation Rebate Installation Guidelines and Conditions follow on next page.

IMPORTANT MINIMUM REQUIREMENTS

If converting from an existing overhead irrigation system:

- Must replace entire existing zone to drip so that all emitting devices are applying water at the same rate.
- Must have a fully operational controller that can be programmed to the City of Fresno water schedule.
- Valves must be fully operational and not leaking.

If converting from manual watering of an existing garden bed by hose:

- Must install an anti-siphon device on hose faucet.
- Must, at a minimum, install a mechanical timer that will shut itself off after a set period of time.

With both methods:

- Drip system must be installed per manufacturer's directions including filter, plus pressure regulator, if recommended.
- May be installed on the surface or below surface.
- Any drip emitter, including multi-outlet drippers, or any bubbler with a flow rate of 0.25 gallons per minute or less.
- City of Fresno inspection is required after the drip system has been installed.
- Project must be completed and rebate application received by City within 120 days of purchase of supplies/materials.

Who Qualifies:

- Limit one rebate per qualified account as defined below.
- Rebate available to City of Fresno water customers or landlords of property serviced by City of Fresno Water Division where a tenant is the water customer. Customers on a shared billing account qualify as individual units. Multi-family, commercial, institutional and industrial customers whose meter supplies water to an irrigation system qualify.
- Renters or tenants must provide written approval from property owner or property manager.
- New construction does not qualify.

Application and Rebate Approval or Denial:

- Rebate amount is based on square feet of area covered by the newly installed micro irrigation system.
- Drip irrigation supplies must be installed at approved service location listed on the customer's City of Fresno water utility bill account.
- Incomplete, incorrect or unsigned applications cannot be processed and will be denied and returned.
- By submitting this application you are agreeing to a verification inspection to be eligible for rebate.
- Customers must fulfill all program guidelines to be eligible for rebates. Rebates will only be awarded after verification of proper installation and compliance with the Guidelines and Conditions.
- Accounts must be current and non-delinquent.
- This Rebate is available 5/1/15. Retroactive rebates are not available.

Rebates:

- Rebate amount is based on square feet of area covered by the newly installed micro irrigation system at \$0.25 per square foot up to 500 square feet (\$125.00 maximum).
- Rebate amounts do not apply to labor or other costs. Rebate may not exceed the cost of the rebate offer.
- The Rebate Program is not responsible for materials lost by mail.
- Submission or possession of a rebate application does not guarantee receiving a rebate.
- Rebates are processed on a first come, first served basis and funding is limited to available resources. *This program shall at all times be subject to change or termination without prior notice.*
- The City is not responsible for product performance or water savings. No warranty or guarantee of the products used or the vendor is provided.
- Rebate checks will be mailed 8-9 weeks after completing the rebate process.

Agreement of Terms and Conditions

City of Fresno may deny any application that does not meet program requirements which can be obtained by calling (559) 621-5480. The undersigned expressly agrees that the City may inspect all items submitted for the Micro Irrigation Installation Rebate Program; that the City does not guarantee the performance of any replacement item; and that the City does not warrant any replacement item or installation to be free of defects, the quality of the workmanship, or the suitability of the premises or the installation. The undersigned further agrees to hold harmless the City of Fresno against all loss, damage, expense and liability resulting from the loss, destruction or damage to property arising out of or in any way connected with the Micro Irrigation Installation Rebate. The City reserves the right to alter this program at any time without prior notice. Funding for this rebate program is limited to available resources. Rebates are processed on a first come, first served basis.

I have read, understand, and agree to the terms and conditions of this rebate program.
